## User Selection Criteria

Date Range: 10/01/2012 To: 09/30/2015

## Report Description

This report shows estimates for the date range provided, for various responses used for the RCRA Expanded Public Participation Information Collection Request (ICR).

The methodology for each respondent is presented below:

### Number of Part B Permit Applications from First-Time Applicants

Counts the number of facilities that had submitted at least one Part B permit application (EP020, OP020, PC020, or RD020) during the date range specified and had not previously submitted a Part B permit application (i.e., this was their first Part B permit application submission). The counts are further categorized by Owner Type and Operator Type.

### Number of Part B Permit Renewals

Counts the number of facilities that had submitted a Part B permit renewal application (OP020RN, PC020RN, or RD020RN) during the date range specified. The counts are further categorized by Owner Type and Operator Type.

### Number of Trial Burns

Counts the number of facilities that submitted trial burn plans (MO070, OP070, or RD070) during the date range specified. The counts are further categorized by Owner Type and Operator Type.
